

The Pro-life Movement is Keeping Abortion Legal

It is a fact that the biggest enemy to ending the abortion holocaust in our country is currently the pro-life movement (PLM). Listed here is documentation of how the PLM has opposed and even blocked bills of abolition from passing in various states. Keep in mind that these abolition bills, if passed, would have ended abortion in that particular state, no exceptions.

Abolition Bills Blocked by Pro-Life Republicans

OKLAHOMA SB13 was blocked by “pro-life” GOP State Senators Jason Smalley and Greg Treat.¹⁻⁵

TEXAS HB896 was blocked by “pro-life” professing Christian State Representative Jeff Leach with the support of multiple pro-life organizations and his pastor Jack Graham.⁶⁻⁸

INDIANA HB1134 was blocked by “pro-life” GOP State Representative Ben Smaltz and opposed by House Speaker Brian Bosma. This bill has been blocked 4 times so far.⁹⁻¹⁰

IDAHO AHRA was blocked by GOP State Representative Steven Harris and opposed by “pro-life” State Senator Fred Martin.¹¹⁻¹²

Pro-life Organizations and Leaders Who Have Opposed Abolition Bills

Tony Lauinger, VP of **National Right to Life** and President of **Oklahomans for Life** heavily lobbied against the Oklahoma abolition bills (SB13 and SB1118).^{1,3,4,24}

Abby Johnson has opposed 2 Texas abolition bills (HB896 & HB948). While she initially stated she would not actively oppose HB896, her ministry put out a graphic soon after that did oppose it.^{13-15,17}

Lila Rose expressed her opposition to Texas HB896 on Reddit due to equal justice.¹⁶

Melissa Ohden is a pro-life speaker who also opposed HB896.¹⁷

Texas Alliance for Life is a pro-life lobby group that opposed TX HB896 and likely lobbied against it. They seem to have close ties to Rep. jeff Leach.¹⁸⁻¹⁹

Texans for Life also opposed HB896 in Texas.⁷

Brian Fisher, President of **Human Coalition** opposed HB896.²⁵

Indiana Right to Life and **Allen County Right to Life** both opposed the Indiana Protection at Conception Act.⁹

Right to Life of Idaho and **Idaho Chooses Life** both opposed the Idaho Abortion Humans Right Act.¹¹⁻¹²

The Baptist General Convention of OK opposed SB13. However, their reasoning was inconsistent with the actual bill.²¹⁻²²

The Catholic Conference of Oklahoma also opposed SB13, which would have ended abortion in Oklahoma.²³

Please note that this is a list of open opposition only.

Abolition bills across the country have received almost no support from pro-life groups thus far.
